

Mr. Hemant Pincha
CEO – Quippo Energy Private Ltd.

Mr. Hemant Pincha heads Quippo Energy Private Ltd. (QEPL) as the CEO. Armed with a degree in Mechanical Engineering from MREC, Jaipur and a Masters Degree in Business Administration from University of Bradford, UK, Mr. Pincha carries about 20 years of hands on experience in building new businesses, restructuring under performing assets and managing large engineering resources and is working with Quippo since December 2005. His strong international business knowledge, experience in project management and business development, supplement his strategic initiatives to minimize risks and maximize results.

Under his able guidance, QEPL has been built up from scratch starting May 2006. Partnerships with Deutz, Germany and Thermax Limited, Pune provided technological platform to develop rental assets and services on a long term basis.

Mr. Pincha has already distinguished himself as an outstanding business leader as within a short span of two and a half years, he not only created a new and innovative business unit of QEPL but also established a competent and vibrant team of 150 members in place. Recently awarded the “Quippo Sarva Shreshtha Innovation Award”, the QEPL team under his leadership has already achieved an asset base for 35 MW of power generation and is geared up to cross a 500 MW figure by 2012.

Mr. Pincha’s background portrays a picture of a true entrepreneur who has led teams successfully with his strong business knowledge in many organizations ensuring innumerable achievements to his credit.

Prior to Quippo, Mr. Hemant Pincha represented Aggreko in India, which is the largest temporary power providing company in the world headquartered in UK. He moved to Ahmedabad in order to drive Energy Rental business harder and create foundation of a world class company.
