This Award recognizes and provides greater encouragement and impetus to the telecom players for their contribution in building a robust National Telecom Network and providing an effective means of communications.

*INFOCOM along with CMAI - Communications and Manufacturing Association of India* - an apex trade and business promotion body with over 28 international MoU partners and representative offices in eight countries jointly organized the National Telecom Awards 2009. The Award ceremony saw a presence of more than 400 delegates from Telecom and IT companies, large corporates, SMEs, policymakers and media. The industry was represented by Telecom Operators, Enterprise Solution Providers, Equipment Manufacturers, Exporters, Technology Providers, and Systems Integrators from the ICT arena. This grand event is branded as the

mother of all Telecom Events in India organized till now. The event had support of Apex Telecom, IT Hardware, Internet and Operators Association in India and international associations.

**About Quippo**

Quippo, sponsored by the Kanoria's of SREI Infrastructure Finance, operates an Infrastructure Equipment Rental Company, servicing the high-growth verticals of construction, oil and gas, telecom and energy. QTIL, India's Largest Independent Infrastructure Sharing Company, is the pioneer in India in the Shared Passive Telecom Infrastructure industry. Earlier this year, QTIL announced its partnership with Tata Teleservices Ltd. (TTSL) with the merger of their passive infrastructure businesses.
