

**Mr. Philippe Clover**  
**President - Quippo Construction Equipment Ltd.**

Philippe Clover, the legend behind the equipment rental industry across American and European subcontinent comes with a wealthy experience of over more than 29 years. He is a Master in Business Administration, from University of Paris IX Dauphine and University of Caen. He now heads the Quippo Construction Equipment Ltd. as the President.

Mr. Clover began his career with Westinghouse Electric, Minneapolis, US in 1979. He has been a core part of many rental companies such as Fraikin S.A., Mattei Car Rental and Transport International Pool Plc. in France. In 1991 he joined the Equipment Rental Division of Hertz Corporation in France as the Operations Director, thereafter he lead to many responsibilities right from being held as the General Manager of Hertz Equipment French Operation in 1994 to Operations and Fleet Director Hertz Equipment Europe in 1997 to Member of the board of directors, Hertz France.

In the year 2006, he joined the Caterpillar Inc. in Geneva as Rental Development Manager heading the key responsibilities of expansion of rental operations through dealers and adapting business solutions.

Having keen business acumen about the industry folds and knowledge about the sector, he has been the witness to many developments across continents and enjoyed the pleasure of being a part to many such landmark industry events.
