

Mr. Probal Ghosal
CEO, Quippo Telecom Infrastructure Limited

With over 23 years of hands on experience in handling finance for some of the leading corporates of the country, Mr. Probal Ghosal, a fellow member of Institute of Chartered Accountants of India, is Chief Executive Officer of Quippo Telecom Infrastructure Limited (QTIL).

Mr. Ghosal had a flying start in 1984 with Siemens Ltd. where he contributed in various capacities on leadership positions for the next 11 years. Subsequently, he moved to Escorts Finance Ltd. as Head of Finance and thereafter to GE Capital. His last stint was with Times of India as Group CFO.

His past experience has some of the most outstanding achievements like JVs with international media companies; orchestrating the 'Private Equity' partnership model through investment in equity/acquisition/performance based revenue sharing for various customers in different sectors; IPO of the Group's radio business subsidiary in domestic market; played a key role in International funding for Internet/ Technology business.

He has also worked with marketing teams for evaluating marketing potential and started robust business model through strategic partnership with global players.

His joining QTIL was at a very strategic time since the company has already made early inroads and is today poised as one of the front-runners with presence in seven circles and reaching out to four more circles before the close of this fiscal. The profile of Mr. Ghosal thus includes steering the massive expansion move of the company while maintaining its leadership position.
