

Quality, Environment, Occupational Health & Safety Policy

- To pursue global standards of excellence in all our business endeavors and to remain accountable in our core and support functions through processes of self-evaluation and continuous improvement.
- To continuously exceed the expectations of our customers through operational excellence by providing the latest technology equipment, defect-free services and solutions, on time and within budgeted cost.
- To nurture an environment where our team of dedicated professionals work with passion to continuously innovate and improve in line with our Mission and Vision.
- It is the part of our work ethic to ensure that health, safety & environment safeguards are in place in our each project & activity, right from the inception to the execution stage and lead to continual improvement and prevention of pollution and control of hazards.
- We accept the need for constant up-gradation of health, safety & environment standards and environmental conditions commensurate with the rapid changing technology. We will always endeavour towards conservation of natural resources, suppression of dust, management of waste & prevention of accidents.

Drug & Alcohol Policy

- All personnel engaged in Quippo Infrastructure Equipment Limited & all its Subsidiaries & Associates are advised that the supply, use or possession of alcohol or non-prescription drugs is strictly forbidden.
- All personnel are advised that Quippo Infrastructure Equipment Limited & all its Subsidiaries & Associates reserve the right to conduct medical test or cause to be tested, any person or persons whom they consider to be under the influence of drugs & alcohol.
