

Mr. S. K. Mehta
Managing Director - Quippo Oil & Gas Infrastructure Limited (QOGIL)

With 35 years of hardcore domestic & international experience in Oil & Gas Sector, Mr. S. K. Mehta, a seasoned professional, is heading one of the most specialized subsidiaries of Quippo, i.e. QOGIL.

Given the mandate of establishing QOGIL as Drilling Contractor and also focusing on adding Drilling Services of all kinds, Mr. Mehta has maneuvered the company to attain some of the most difficult projects in India and overseas.

A self employed man throughout his career, Mr. Mehta's entire experience till date has been in the Oil & Gas sector focusing specifically on Drilling Rigs and Project Engineering. Having a Mechanical Engineering degree to support his endeavors, Mr. Mehta is the Founder and Managing Director of SKM Group of Companies, an identity which provided Consultancy, Engineering and Drilling services to some of the world's leading players in O&G sector like NKK, Kawasaki and Sumitomo in Japan and Wild Well Control, Ramco & Ross Hill Controls in USA. SKM was one of the first companies to provide Drilling Backup Consultancy Services to ONGC. It had the privilege of handling some of the on-shore/off-shore projects such as:

- Gas Sweetening Plant at Hazira
- Sulphur Recovery Plant at Hazira
- Ethane Propane Recovery Plant at Uran
- ICG Platform at Bombay
- HBJ pipeline

SKM is now incorporated into QOGIL which forms an integral part of the Quippo Group.

An avid reader and a music buff, Mr. Mehta spends his leisure time reading management books and listening to soft music.
